Flyin' Brian Gravity Fest

Downhill & Super- D Mountain Bike Races

Friday, August 15

The Navajo Chair and practice for the downhill will be open on Friday morning at 9 a.m. Super D practice will be open at 1 p.m. on Friday. A discounted rate for registered Super D racers is available for a hired shuttle for Dark Hollow practice.

Saturday, August 16 Downhill Race

Utah's Downhill racing action charges on through August as Brian Head Resort hosts the third stop in the 2014 Go-Ride Gravity Series! The "Flow Trail" downhill course will provide an new twist to DH racing at Brian Head. It's super fast and smooth with lots of rippin' whoops and fast, banked turns. What it's *not* is technical. Due to the Giant Steps chair lift replacement, all of Brian Head's famous lift accessed DH trails are closed for the season. The Flow trail allows for great spectator access and the lift ride is only about 5 minutes long.

Downhill Start Times

Downhill Racing begins at 2:30 p.m. with Cat 2 & 3's on course first. Pro & Cat 1's will start shortly after the completion of the Cat 3's. Please be at the start gate early. If you miss your seeded start time you won't get a timed run. Just make sure you're on time for your start. You should be loading on the lift no later than 30 minutes prior to your official start time. The Downhill race will be a **One-Run** format. **Start times** for the DH will be posted at 11 a.m. on Saturday.

Sunday, August 17 Super D Race

It's back... the Dark Hollow Super D race! Touted by the guys at Go-Ride as "possibly the most epic Super D of all time," the 5.02 mile Super D course starts at the Sydney Peaks trail head and travels down one of Utah's most famous singletracks. The Dark Hollow trail is steep, rough and remote. It's well suited for big-travel bikes but there's lots of pedaling and a wee bit of climbing making a full-on DH bike a bit much and the super rough technical parts will only slow down an XC bike. The race finishes where the Dark Hollow trail intersects the Second Left Hand Road. (Racers will need to ride about 5 miles down the road to the lower parking area as there is **no parking at the race finish**). **This Super D is a very special event and will be limited to the first 75 racers entered. In order to participate in this race you must be a minimum Category 2 racer– no exceptions.**

Super D Start Times

Super D Racing begins at 11:00 a.m. with Pro & Cat 1's on course first. A mandatory pre-race meeting will be held at the race start area at 9:30 a.m. on Sunday morning. Racers are encouraged to car pool to the pre-race meeting. After the meeting has concluded car-pool drivers will caravan down to the race-finish parking area and then will ride a free shuttle back to the race start. This race will be run as a time trial format with racers going at 2-minute intervals.

Practice & Lift/Shuttle Ride Information

The DH course will be ready for practice on Friday morning and the Super D course will be ready on Friday afternoon. Lift fees for practice AND race day are **NOT** included in your entry fee. You must purchase a lift pass for each day you plan on riding the lift. Lift rates are $29 per day. A "Race Weekend Special" rate, for Friday, Saturday and Sunday, of $67 will be available to racers. A 2-day pass will be available for $48. A special Dark Hollow shuttle rate will be offered to registered Super D racers on Friday and Saturday.

Awards

The Downhill Award Ceremony will take place at 5:30 p.m. on Saturday and the Super D Ceremony will take place a.s.a.p. after the completion of racing on Sunday.
